**THE GOSHEN RACES.**  
Successful Ending of a Most Successful Meeting.  
**THREE VERY INTERESTING CONTESTS**  
Although Won in Straight Heats Races Were Close and Exciting—Backers of Favorites Dropped Their Money in Two Events.  
The closing day of the Goshen races, Friday, was like the preceding ones, a great success. About 1,000 people attended, comfortably filling the grandstand and adjoining grounds.  
While the races were all finished in one two three order they were all interesting, the horses in each event being so well matched that it was any horse's race till the last heat was ended. In both the 2:26 class, trotting, and the Arden Farm stake, 2:16 trotting, the first favorites, Rustie and Nannie, respectively, were downed, a second favorite and a dark horse capturing the first prize.  
In the 2:26 class, Princess May and Bruto were drawn, leaving but four contestants, Rustie, Wild Wind, Sir Bevis and Times-lend. Rustie was the favorite, selling at \$10, Sir Bevis second, at \$5 to \$7, with odd from \$1 to \$5.  
Times-lend had the pole and to the surprise of every one, he took a lead and was never headed throughout the heat and the race. Hudson who was driving Sir Bevis pushed Times-lend very hard, however, so much so in fact that the race never lost interest.  
The 2:16 trotting race for the Arden Farm stake of \$1,000 was the prettiest one of the day. There were six starters, Red West, Myrtle Boy, Nannie, Carrie, Ivandou and Elsie S, the latter having been one of the contestants in the \$5,000 stake last summer at which time it was claimed she was poisoned.  
Nannie had the pole but she lost it almost at the first turn to Red West who held the lead despite the best efforts of Nannie's driver to regain it. Nannie was second, Myrtle Boy third while Ivandou who came in fourth was put back for running and heading. Carrie being given fourth place. Elsie S. was sixth. Time 2:17.  
In the second heat Nannie, who was driving Nannie, made a plucky try to win out. He pushed Red West closely during the first half mile and cut him out of the pole very cleverly when just beyond the grandstand on the second half. He held the lead and seemed likely to win the heat, but Nannie broke on entering the home stretch and Red West passed her, winning by about a nose. Then came Myrtle Boy, Ivandou, Carrie and Elsie S, respectively. Time 2:15.  
In the third heat Ivandou was drawn. Here again Nannie pushed the leader very hard, but only during the first half when Elsie S. passed her and gave Red West a good brush for first place. She, however, could not stand the pace and was beaten by both Red West and Nannie. Time 2:15.  
On account of a rain received just at the close of the 2:16 race, May Alcyon was drawn from the 2:21 class (trotting). There were then but six starters. Nannie, C. M. J., George C., Philist, Saela and Eola. Nannie was the favorite at \$10, Philist next, \$7 to \$9, Saela, \$5 to \$6, the field selling at \$1 to \$5. After a half dozen attempts to start, the horses got away, with George C. in the lead. He held it until the three-quarter pole, the others being well bunched and close upon him, getting out a little further into the track. Nannie took the excited position and from that time he was some in front. Money for the straight heats. Nannie led at well bunched string of trotters down the track and was never headed. For second place, C. M. J., George C. and Philist put up a gallant struggle. C. M. J. coming up from fourth in the first heat to second in the last heat, and therefore winning second money.  
Following are the summaries:  
2:26 Class—Prize \$1,000. Trotting heat, 1st, Red West, 2:15; 2nd, Myrtle Boy, 2:17; 3rd, Nannie, 2:15; 4th, Sir Bevis, 2:17; 5th, Wild Wind, 2:22; 6th, Rustie, 2:16.  
2:16 Class—Prize \$1,000. Trotting heat, 1st, Red West, 2:15; 2nd, Myrtle Boy, 2:17; 3rd, Nannie, 2:15; 4th, Sir Bevis, 2:17; 5th, Wild Wind, 2:22; 6th, Rustie, 2:16.

**CHARGED WITH LARCENY.**  
David Davis Says Ward Felton Got Away With His Watch.  
David Davis, of 13 Low avenue, appeared in police court, Thursday, asking for a warrant for Ward Felton, aged twenty-two, who has been boarding with him, and who had left the house that morning, and it was charged had taken with him the complainant's gold watch.  
Felton, who had been working on the West Main street paving job, tried to collect his pay, Thursday, but he had previously told the street commissioner to pay Davis the board money due him, and therefore Mr. Davis refused to give him any money, whereupon he quit work and went to the Davis house and, it is alleged, took the gold watch.  
The police found after a few minutes search in Felton's old haunts that he had been seen to board an east bound freight train on the Erie.  
Mr. Davis says he is satisfied if Felton will only remain away.

**BURGLARS' TOOLS IDENTIFIED**  
Had Been Stolen from D. Probert's Wagon Making Shop at Denton.  
The tools which were used by the burglars who blew open the safe in the Standard Oil Company's office, Thursday night, were identified at police headquarters, Friday night, by D. Probert, the wagon maker at Denton.  
Mr. Probert's shop was broken open at a late hour, Thursday night, supposed by four suspicious characters who had been noticed loitering about the village during the evening.  
The burglars evidently boarded an Erie train after taking the tools from Mr. Probert's shop and knew just where they wanted to alight in this city.  
No one who saw the men was able to give any description of them which would serve as an aid to their identification and the police have no tangible clue upon which to work.

**AT REST IN HILLSIDE.**  
Marshall D. Wallhall Buried—The Funeral and Burial Services.  
Private funeral services were held over the body of Marshall D. Wallhall, at 2 o'clock, this afternoon, at the undertaking parlors of F. O. Rev. Frank A. Heath, who returned from Charlestown, Mass., this morning, conducted both services.  
A quartette composed Mr. and Mrs. W. W. Clark, Miss Anna Howland and Albert Marvin sang several hymns. There were a number of floral gifts.  
The pall bearers were: Clifford Owen, Henry Wisner, James Dolson, A. M. Ambler, H. B. Royce, W. Startup.  
**GRADING FOR D. AND H. ROAD**  
Progress of Work on Drake & Stratton's Waymark Contract, From the Household Citizen.  
Drake & Stratton, the contractors for the new lot and Had. railroad, between Waymark and the summit of the Moosic, have about 150 men now at work, and more are expected this week. They have a quantity of "dumps" at Snakeham, N.Y., where considerable work has already been accomplished. They are handicapped, however, owing to the non-arrival of several steam shovels. Upon their receipt one may expect to see the dirt. They have a little three foot gauge locomotive at Waymark, and expect carts, etc., every day.  
**Jacob Gunther's Dog Killed by a Erie Train.**  
The notice of the disappearance of Jacob Gunther's dog which appeared in the paper last night, brought the information that the animal had been killed by an Erie train, Thursday night, and the body buried near the end of the depot platform at East Main street. The head was nearly severed from the body.

**SOLDIERS' REUNION**  
The Famous Orange Blossoms Meet in This City.  
**BIG CROWD AT COLUMBIA PARK**  
Alderman-at-Large Bastian Welcomed the Veterans—Col. Weygant Responds—Many Prominent Men Present.  
The annual reunion of the 124th Regiment, the famous "Orange Blossoms," is being held at Columbia Park in this city, to-day. Notwithstanding the threatening weather, a large gathering of veterans and their families is present at the park, and everyone seemed to be thoroughly enjoying the outing.  
The veterans began to congregate at the park about half past ten o'clock, but it was not until the Chester Band put in its appearance that the bulk of the crowd began to arrive.  
The main trains on the Erie brought several prominent members from Newburgh, Wallen, Warwick and other parts of the county.  
Owing to the absence of Mayor Charles L. Wood, the address of welcome was delivered by Alderman-at-Large W. C. Bastian, in his usual happy style. Mr. Bastian is a great favorite with the old soldiers and he always knows what to say and how to express it.  
Col. Weygant, of Newburgh, responded in behalf of the Orange Blossoms, and his remarks were thoroughly appreciated by his audience.  
It being close to the dinner hour it was decided to postpone the usual business meeting until this afternoon.  
Most of the visitors came prepared with good things to eat, in baskets, and the lunches were spread under the trees in the grove, but those whose were unprovided found plenty to eat at the stands served by Edison Kinn at reasonable prices.  
Among the prominent members of the organization, who were present from out of town, were the following:  
Secretary Mayette, of Brooklyn; Major Benedict, of Warwick; Capt. Thomas Bradley, of Wallen; Col. Weygant, of Newburgh; and John S. King, editor of the Iron Age, of New York, a brother of J. T. King, of this city.  
Capt. James J. Cox, of this city, was able to be driven to the grounds in a carriage and receive the congratulations of his old comrades.  
The business meeting was held at 2 o'clock. Secretary Mayette's report showed that 81 members were present, as follows: Co. A, 7; Co. B, 5; Co. C, 4; Co. D, 8; Co. E, 8; Co. F, 7; Co. G, 7; Co. H, 8; Co. I, 7; Co. K, 20.  
Eighteen members died during the year. The treasurer's report showed a balance of \$149.73 and at the suggestion of that officer a resolution was passed reducing the dues from \$1 to 50 cents per year.  
The following sons of members of the regiment, having served in the Spanish-American war, were elected honorary members of the association:  
W. M. Waples, of Goshen; Geo. Wood, Joseph W. Bakes and Harvey E. Malone, of this city; and Philip G. Room, of Albany.  
A letter from Gen. Daniel E. Sickles, regretting his inability to be present, was read.  
The invitation of Col. Weygant to hold the next reunion in Newburgh was accepted.  
The following officers were elected for the ensuing year:  
Pres.—Sergeant R. B. K. Mountfort of Newburgh.  
Vice Pres.—Maj. Benedict of Warwick.  
Secretary—Col. Mayette of Brooklyn.  
Treas.—Col. Weygant of Newburgh.

**Drowned by His Playmate.**  
HIGHLAND FALLS, N. Y., Aug. 26.—The news of a sad drowning has just been received here. Two boys, named Harry Rose, aged 8 years, and Arthur Stansen, aged 13, were fishing along the banks of the Hudson river, six miles below here. The older lad deliberately threw the younger into the river and continued fishing, paying no attention to the drowning struggles of the Rose boy. The little fellow soon perished. Presently the father came along and inquired for his son, but the Stansen boy disclaimed any knowledge of his whereabouts. Being pressed, he finally admitted the truth. The neighborhood was aroused and the body was recovered three hours later.  
**Preparing Banners for Firemen's Parade Day.**  
Chief Higham is making extensive preparations for decorating the exterior of his hotel with signs and banners which will extend words of welcome to his individual guests and to the several visiting companies on firemen's parade day, Oct. 12.  
Other enthusiastic firemen and business men are planning for decorations and it is more than probable that Middletown's holiday dress on that occasion will be finer than ever before.

**The West Main Street Pavement.**  
The work of concreting for the West Main street pavement was completed, to-day, and Street Superintendent Reed expects to begin the laying of brick, Monday. Business men on the street will be glad indeed when the job is done.  
Street Commissioner Reed was an incentive to extra efforts on the part of his workmen, and to them yesterday morning, that he expected to complete the work by Saturday night, but that if they could, by hustling, finish the job earlier than that he would call it a day's work.

No Answer to Abbe Berres' Attempt to Communicate With the Estranged Anti-Masonic Leaguers.  
PARIS, Aug. 26.—By permission of the Police Commissary, Abbe Berres, of the neighboring church of St. Vincent de Paul, to-day, several times rang the door bell at the headquarters of the Anti-Masonic League, in the Rue de Chabrol, where M. Guerin, president of the league, and a number of his companions are entrenched, but received no reply. He renewed his efforts to communicate with the occupants later in the day, but with the same result. The Abbe would have listened intently, but could hear no sound inside the building except the ringing of the bell. He added: "I do not believe, however, that there has been a general suicide of the inmates, the suicide theory not being in accordance with Guerin's ideas."

The town is practically deserted. The whites are being concentrated in vicinity of Delgal's swamp, where fifty negroes are detained and supposedly armed.  
A courier reached Darien at 11 o'clock, this morning, with the information that fifty negroes have taken possession of Negro Delgal's house, eighteen miles from that place and six miles from the swamp, in which the negroes were supposed to be massed. A squad of militia has been sent to disperse them.
